

Workshop Notice

PTTC, in cooperation with the Tennessee Oil & Gas Association (TOGA) and the Kentucky Geological Survey, is pleased to announce the following workshop opportunity:

“Geophysical Log Correlation - Subsurface Ordovician Rocks Beneath the Plateau in Tennessee and Kentucky”

August 7, 2003

**Cedar Bluff Holiday Inn
Knoxville, TN**

The \$35 registration fee covers the workshop and lunch.

Pre-registration is essential for proper planning. To register, call 865-974-2238, or e-mail damama@UTK.edu

This will be a discussion-oriented workshop, not a series of formal presentations
